

TAINIE

The image features the word "TAINIE" in a large, bold, black serif font. A vertical line passes through the center of the letter 'I'. To the left of this line, a network diagram is partially visible, consisting of several small circles connected by lines. To the right of the line, another network diagram is partially visible, also consisting of small circles connected by lines. A horizontal line with a small circle at its end is positioned above the 'I'. The overall design is minimalist and modern.
